

She Could Be The One For Me

Music by Marc Loren Lyrics by Carole and Ron Ciancioso

VERSE 1

I see her walkin my way
Is she real or am I just dreamin' today?
Maybe this is my day
To fall in love
Is she the one? Is she the one?

CHORUS

She could be the one for me
It's a day of possibilities
She could be the one
The one for me

VERSE 2

Stay a while pretty lady
I really like your style
And your sexy little smile
Walk with me in the garden of romance
Take my hand, take my hand

REPEAT CHORUS

(repeat chorus)

BRIDGE

Is this illusion or just fantasy?
I feel the magic
She's hypnotizing me

INSTRUMENTAL

(Instrumental break)

VERSE 3

We could be good together
If we try you and I can ride down love's highway
Follow me and we'll see what the stars may say
Is this our day? Our day?
Repeat chorus and fade
