I'm dressin' to the nines
I'm 'bout to do it right
We gonna party at the club tonight
Yo dj make it loud
We wanna feel that sound
We getting crazy at the club tonight

VERSE 2

She's sippin' on champagne
I'm 'bout to show my game
Hopin' she's naughty cause she's lookin' nice
If you're here all alone
I wanna take you home
Yeah baby girl don't have to ask me twice

PRE-CHORUS

Let's find the exit door
Can't wait a minute more
Have one night of fun with me
My place will be just right
Be mine for just one night
One night of pure insanity

CHORUS

Oh oh oh o-o-o-oh oh o-o-o oh oh oh o-o-o
Let's take this party home
Oh oh oh o-o-o-oh oh o-o-o oh oh oh o-o-o
Let's take this party home

VERSE 3

Don't make another sound
Just pull the covers down
Do whatever you want to me
Don't need to know your name
Just wanna feel the flames
And in the morning I'll set you free

2ND PRE-CHORUS

Just find the exit door
Don't wait a minute more
Had your night of fun with me
My place will be just right
For someone new tonight
Another night of pure insanity

REPEAT CHORUS

(repeat chorus)

RAP

The club's okay but it's time to bounce
There's a private party goin' down at my house
C'mon baby, let's do it right
Yeah, I'm workin' up a sexual appetite
Girl you know I'm your biggest fan
You don't need a boy
Girl you need a man
C'mon baby let's take this home
Where me and you can do it baby one-on-one
Fade out with chorus
