

It's Alright (If You Do)

Music and Lyrics by Carole Ciancioso and Sarah Hauser

VERSE 1

You can do what you wanna do
But I'm gonna do what I want to
Yeah it's alright, it's alright if you do
'Cause I'm gonna run around too
Yeah its alright, it's alright if you do
If you're bad I'll be worse than you

VERSE 2

You can stay out half the night
Darlin' there's no need to fight
Yeah it's alright, it's alright if you do
'Cause I'm gonna stay out too
Yeah it's alright, it's alright if you do
If you're bad I'll be worse than you

BRIDGE # 1

I know you've been flirtin' with my best friend
Well I won't stand in your way
Go ahead and have your fun
But that's a game that two can play

VERSE 3

You can two-time , cheat and lie
You can have a rovin eye
Yeah it's alright, it's alright if you do
'Cause I'm gonna two-time too
Yeah it's alright, it's alright if you do
If you're bad I'll be worse than you

BRIDGE 2

I bet you think when you go out
I just stay home and cook
Well honey when it comes to messin' around
I'm the one who wrote the book

VERSE 4

You can disappear for days
Stumble home in a drunken' haze
Yeah it's alright, it's alright if you do
'Cause I'm gonna disappear too
Yeah it's alright, it's alright if you do

You say you're goin' out with the boys again
Well that's alright with me

So you better not forget your key

'Cause I'm havin' much more fun than you
Yeah it's alright, it's alright if you do

If you're bad I'll be worse than you
