

Redbird

Music and Lyrics by Carole and Ron Ciancioso

VERSE 1

Redbird, flyin' high
Little cardinal
Paint the sky
Little redbird
Your happy song follows me
Redbird, the music in my day
Redbird, you're in my heart to stay
Save your morning song just for me

CHORUS

Redbird, redbird
Little redbird
Sing a song for me
Redbird redbird
Little redbird
Spread your scarlet wings and be free

VERSE 2

Redbird
Bring your friends along
Whistle me a joyous song
Sing your sunny melodies
Redbird, high up in the trees
Chiming two part harmonies
Redbird, won't you fly beside me?

REPEAT CHORUS

(Chorus repeats)

BRIDGE

I wish you could stay longer
But you must fly away
I wish that I could fly above the trees with you
Someday

INSTRUMENTAL

(Instrumental break)

FINAL CHORUS

Redbird redbird

Little redbird

Sing a song for me

Redbird redbird

Little redbird

Spread your scarlet wings and fly

Spread your scarlet wings and fly

Won't you spread your scarlet wings and be free
