

Show Me That You're Real

Music and Lyrics by Carole and Ron Cincioso

VERSE 1

I took your hand in my hand
Because you needed guidance
I wasn't really looking for a friend
But, one who recognizes
The love we have inside us
And brings me to a joy that never ends

PRE-CHORUS

The love you bring
Makes the blackbirds sing, and makes my heart beat fast
If you decide to stay
Love will find it's way, it's the power of romance...

CHORUS

Show me how you feel
If you need some time to make up your mind
Show me that you're real
Show me that you're real

VERSE 2

Lately, I've been hoping
You'll make me a believer
So, come on baby show me that you're real
I'm so tired of dreaming
About a love with meaning
So don't hold back just show me how you feel

PRE-CHORUS

The love you bring
Makes the blackbirds sing, and makes my heart beat fast
If you decide to stay
Love will find it's way, it's the power of romance...

CHORUS

Show me how you feel
If you need some time to make up your mind
Show me that you're real
You can stay the night, if it feels alright
Show me how you feel
If you need some time to make up your mind
Show me that you're real
Show me that you're real

BREAKDOWN (X2)

Don't try to hide it baby
I really wanna know...
Should I keep tryin' baby,
Or, should I just go?

CHORUS

Show me how you feel
If you need some time to make up your mind
Show me that you're real
Show me that you're real
