

CSP-041

This Time

Lyrics and Music by Michael Varela and Ron Ciancioso

VERSE 1

The pain I feel is nothing new
Only its twice as hard this time
And it'd take too long to get over you
So, I think I'll just lose my mind

CHORUS

No one realizes the extent of the pain
So they tell me to forget
When I try I only cry
Don't you know I'm sorry
That we ever met this time

VERSE 2

I've suffered a loss
Never anticipated
Cried out all my tears
I really thought we had it made

NEXT CHORUS

I'd rather lose my arm yeah yeah
Its the way I feel right now
But I'll do anything to be back in your arms
And I tried everything
But, I don't know how this time

BRIDGE

Why did our love have to fall to pieces
I was so happy just last week
The pain don't heal
It just increases and its buried in me so deep, so deep
I don't know if I'll be ok
After all our love was so strong
And it seems like an eternity since you've been gone

FINAL CHORUS

I'm goanna need a lifetime
Thats the way I feel right now
And I'd do anything
To be back in your arms and I'll try once again this time
