

Leap Of Faith

Music by Marc Loren and Ron Cincioso Lyrics by Carole and Ron Cincioso

VERSE 1

My heart is racing, bouncing off the wall
Feelin' dizzy I'm about to fall
Not giving up til I'm your man
That's my master plan
I got skills and they're guaranteed
To give you all the love you need
It's the right time for something new
Can you feel it too?

CHORUS

My heart is on my sleeve
Take a leap of faith with me
Come on take a leap of faith with me

VERSE 2

How many true hearts have you found?
How many times have you been let down?
I could never do that to you
I've been through it too
Give me a reason to believe
Will you put your faith in me?
Just let me in and you will see
You are safe with me

REPEAT CHORUS

(repeat chorus)

BRIDGE

You gotta trust someone
In this mixed up world
Don't you give up now
I'll protect you girl
Instrumental

REPEAT CHORUS

(repeat chorus)

VERSE 3

Those other guys turned your head around
They walked away without a sound
There's something better right here with me
Right now here with me

CHORUS
