Heave Ho

Music and Lyrics by Carole and Ron Cincioso

VERSE 1

I knew from the get go
That I would be let go
I saw the look in her eye and I think I knew why
But, she still had to say so
I had just paid the rent tho
All my money was spent yo
It don't seem fair but I know she don't care
That's mad disrespect-ful
Then she showed me the door
It was over for sure
And as soon as I saw
My suitcase on the floor
I knew it was over
I went from drunk to sober
Changed the lock on the door and left me the chevy,
But she took the rover...

HOOK

She gave me the heave ho
I saw the look in her eye
She gave me the heave ho
When she told me goodbye
She gave me the heave ho
No cap, no lie
She gave me the heave ho
She gave me the heave ho
My girl was outta her mind
I knew I had run outta time
She madder than hell, and now I can tell
That I should get back to my grind
So I took what was mine
Didn't waste no time
I knew I was wrong, but didn't take long
To find me another dime
Then she showed me the door
It was over for sure
And as soon as I saw
My suitcase on the floor
I knew it was over
I went from drunk to sober
Changed the lock on the door and left me the chevy,
But she took the rover...

HOOK

She gave me the heave ho
I saw the look in her eye
She gave me the heave ho
When she told me goodbye
She gave me the heave ho
No cap, no lie
She gave me the heave ho
She gave me the heave
