

In The Doghouse Again

Music and Lyrics by Carole and Ron Ciancioso

VERSE 1

One day you're king of the castle
Sittin' on top of your throne
Next day you're in trouble
And you're sleepin' all alone
Lord knows what I did this time
To getcha so mad at me
If anybody asks, just let em know
Tell em where I'm gonna be!

CHORUS

I'm in the doghouse
Deep in the doghouse
I'm in the doghouse again
Don't know what I did, don't know what I said
But I'm in the doghouse again
I'm out here all alone
Won't somebody throw me a bone?
Move over man's best friend
I'm in the doghouse aga
Was I too mean to your mama?
Was I out too late last night?
Don't do this to me honey
Cause you know it just ain't right
Was I flirtin' with your friends?
Did I forget our weddin' day?
I'm not a perfect man, I do the best I can
To keep the devil away!

REPEAT CHORUS

Well you can just call me fido
Yeah man, that's my name
The way that woman treats me
It's a doggone shame
It's a doggone shame
Repeat chorus and out
